

The diagram illustrates a multiplication problem using boxes. It consists of three rows of boxes. The first row has 8 boxes, followed by a space, then 3 boxes, a space, then 2 boxes, and finally a space followed by 6 boxes. The second row has 8 boxes, followed by a space, then 2 boxes, a space, then a colon, a space, and finally 8 boxes. The third row has 10 boxes, followed by a space, then 3 boxes, a space, and finally 6 boxes.
