

THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION BACHELOR OF BUSINESS ADMINISTRATION DEGREE PROGRAM

PROGRAMME OBJECTIVES: This programme is designed to provide students with a comprehensive understanding of business administration and management. The programme is structured to ensure that graduates are equipped with the necessary skills and knowledge to succeed in a competitive business environment. The programme covers a wide range of topics, including business law, accounting, marketing, and human resources management. The programme is designed to be flexible, allowing students to complete their studies at their own pace and in a way that suits their individual needs and circumstances.

Graduates of this programme (who are qualified) will be able to apply their knowledge and skills in a variety of business settings. They will be able to identify and solve business problems, and they will be able to communicate effectively with others in the workplace. They will also be able to manage resources effectively and to make sound business decisions. The programme is designed to be challenging and to provide students with a high-quality education. The programme is also designed to be relevant to the needs of the business community. The programme is designed to be flexible, allowing students to complete their studies at their own pace and in a way that suits their individual needs and circumstances. The programme is designed to be comprehensive, covering a wide range of topics that are essential for success in business administration and management. The programme is designed to be practical, providing students with the opportunity to apply their knowledge and skills in real-world situations. The programme is designed to be up-to-date, reflecting the latest developments in business administration and management. The programme is designed to be accessible, providing students with a variety of learning options and support services. The programme is designed to be affordable, providing students with a high-quality education at a reasonable cost. The programme is designed to be flexible, allowing students to complete their studies at their own pace and in a way that suits their individual needs and circumstances.
